WARDROBES

P2.1 Wardrobe Doors

THE NIGHT COLLECTION

A Wardrobe is an interior element, just like any other piece of furniture. It is important that it merges effortlessly with the atmosphere and feel of the home.

Our wardrobe collection provides an aesthetic and functional answer to all storage needs.

Hinged doors, sliding doors and walk-in wardrobes with multiple solutions, offered in different finishes to capture the very essence of contemporary living.

CLOSET TYPE

Hinged Door Closets (P Type)

The classic mechanism meets contemporary design, and together they make room for the things that matter.

Sliding Door Closets (S Type)

Fluidity, design and style make sure every item has its place, without taking up the space you need for everyday praticities.

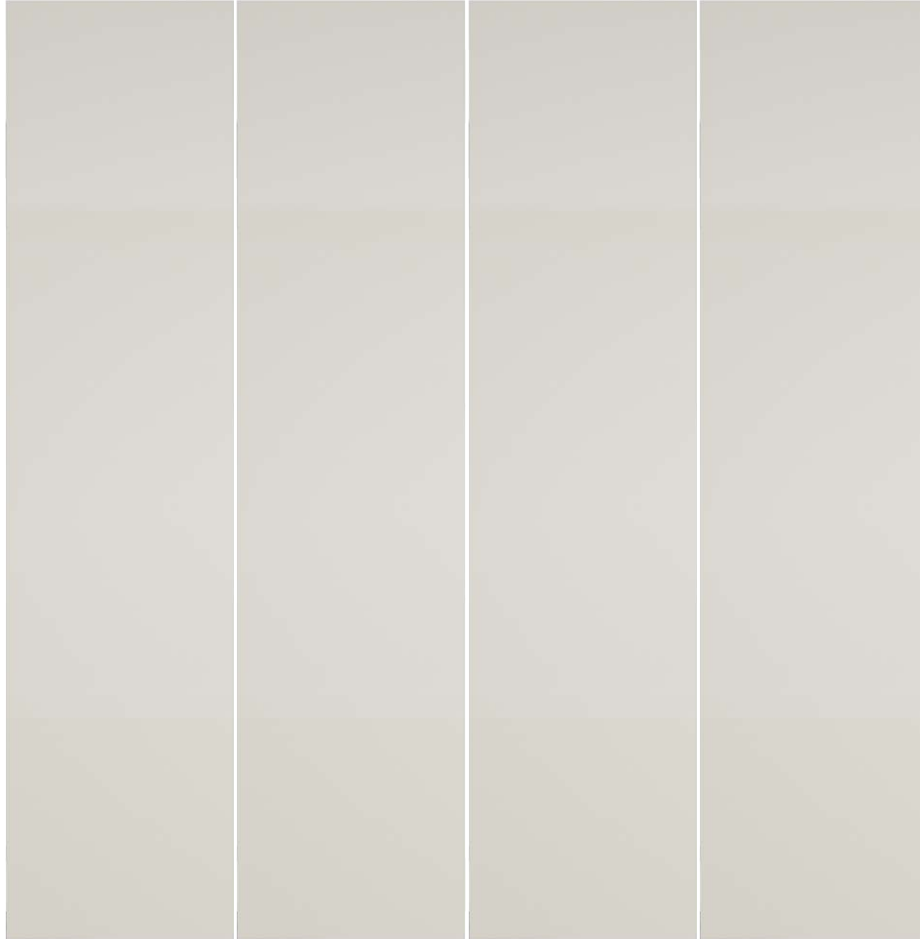

Walk in open Closets

Rooms dedicated to the wardrobe space that are both spacious and welcoming as a living space.

P0

Hinged Door

P0 can be adapted to every environment since it can have many different looks depending on the material finishing chosen.

The doors are very simple, with linear and essential design, but by changing the finishing they can have a stronger aesthetic impact, influencing also the surroundings.

Finishing Options:

- Lacquer
- Wood

Push to open system

Handles can be added as an extra

Sizes:

All the modules are made to fit the module sizes of 550 and 1100 of inner width and 2500, 2700 and 3000mm of total height. Other sizes under request.

P1

Hinged Door

The glass door frame modifies the function of the classic wardrobe, designed to hide away clothes and belongings.

P1 exposes and showcases style. It enhances the brightness of the space thanks to the lightness and thinness of the structure. The glass and the structure can be fully customized.
